Instruction to Contributors

1. Three copies of the manuscript typed in English with an Arabic summary or in Arabic with an English summary. Manuscript should be typed on one side of the paper (A4) in double spacing and with ample margins. Each page should be numbered. The manuscript should not exceed 15 pages including tables and figures.

2. The manuscript should be arranged as follows:
   A. Title of the article followed by the name(s) and address(es) of the author(s).
   B. Summary of not more than 160 words (both in Arabic and English) reflecting the essential contents of the paper.
   C. Text including short introduction and conclusions.
   D. References, tables, illustrations and appendices (if any).

3. References to published literature should be quoted in the text in square brackets.

4. At least 2cm spacing should be left between equations and text, succeeding equations. The following should be identified with notes to avoid confusion:
   A. Subscript and superscript.
   B. Greek letters and whether upper or lower case.
   C. Letters and numbers that can be confused.
   D. For financial obligations contact accountant office.

Discussion of Published Articles:

The Journal welcomes discussion of published articles. The discussion should be submitted within two months from the publication date, they should not exceed two pages (including tables, illustrations, and references if any). The Journal will publish the discussion together with the author reply (if any) in the following issue.
